

SUNDAY SCHOOL
BEGINNERS

Carey
Baptist Church

I can go to Sunday School Beginners.

It is called SSB for short.

First, I will go with my grown up to the main church service.

At the end of one of the songs we go out of church.

My grown up will take me to the SSB door, and wait until I go in.

One of the helpers says “hello” and welcomes me.

All the helpers in SSB wear a badge.

The helpers are there to look after me.

I can ask a helper if I want to go to the toilet.

They will take me to the toilet.

First I go to my table.

We play a game with the other children and helpers on my table.

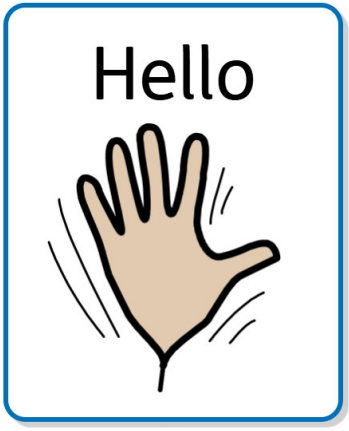

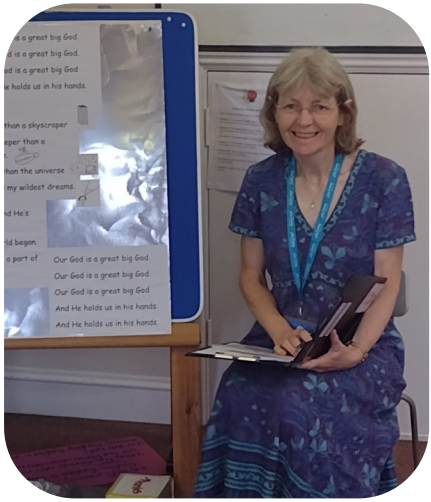

We all move to sit on chairs by the rug.

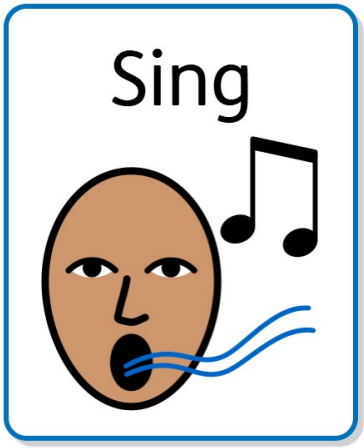

The helpers will tell us where to sit.

The helper says hello to everyone.

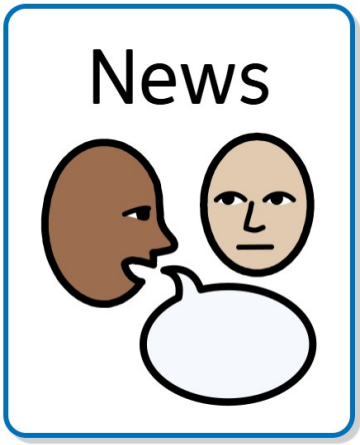

We stand up to sing songs.

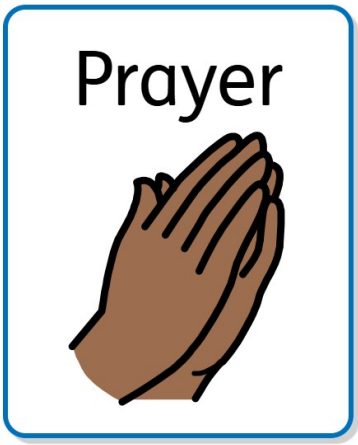

I can share my news with everyone at news time.

Praying is talking to God.

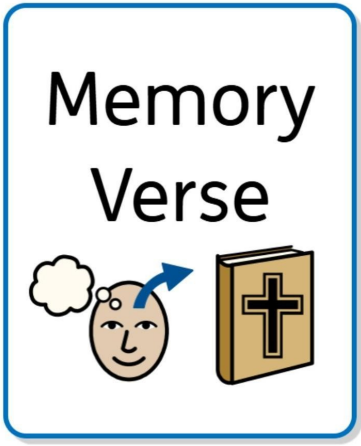

We use a prayer cube to help us to pray.

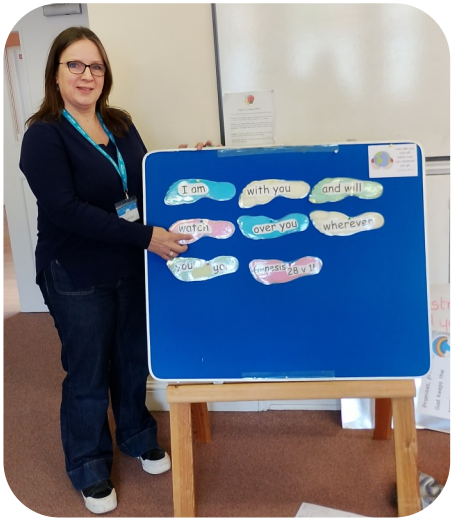

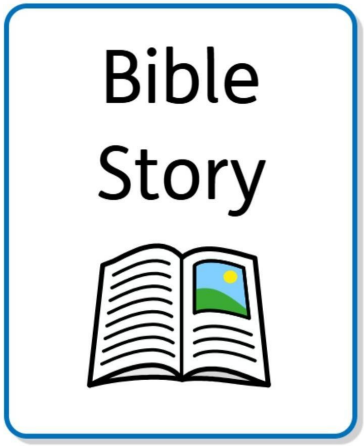

The Bible is God's special book.

We learn a verse from the Bible.

Then I listen to a story from the Bible.

Then I go back to my table and do some colouring. Sometimes there are things to cut and stick.

When the church service finishes, my grown up will come to get me.

Then we can go to the Oasis for a drink and biscuit, or we can go home.

Sunday School Beginners is great!

The helpers hope I will enjoy it, and learn more about Jesus.

For Parents and Carers:

SSB is for children who are in nursery to school year 1.

If you would like to talk more about your child's move, you can contact the group leader.

The group leader for Sunday School Beginners is Catherine Machin.

Do look out for Catherine on a Sunday, or you can email her via the Carey office.

Consent Form

A consent form needs to be filled in before you leave your child at Sunday School Beginners. Please use the QR code to complete an online form.

A new form needs to be completed each school year.

Carey Baptist Church is committed to the safeguarding of children, young people and adults. Our safeguarding policy is available on the church website.
