

SUNDAY SCHOOL CENTRAL

Carey Baptist Church

I can go to Sunday School Central.

It is called SSC for short.

First, I will go with my grown up to the main church service.

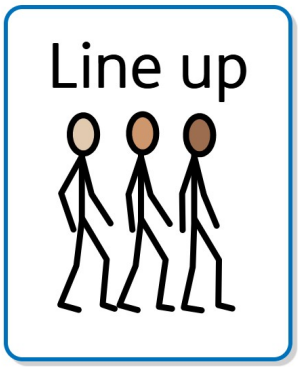

At the end of one of the songs we go out of church.

My grown up will take me outside.

The children all line up with their helpers.

All the helpers wear a name badge.

The helpers wear orange jackets when we walk to the Carey Centre.

We all walk on the pavement. We stop before we cross the road, and cross when the helpers tell us.

In the Carey Centre, we go into the main hall.

First, we go to our table, do the register, chat or do an activity with our helper.

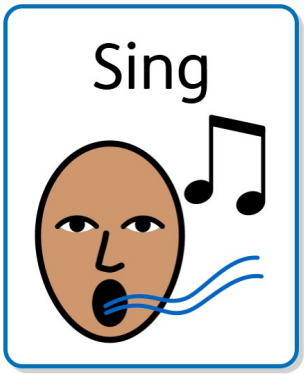

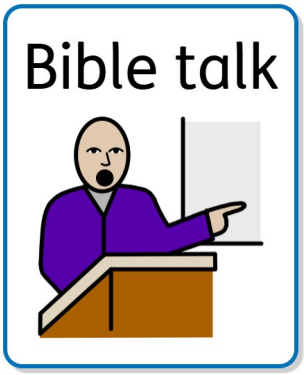

Then everyone comes to sit on chairs facing the screen.

I can choose where to sit and who to sit with. This could be a friend or one of the helpers.

We stand up to sing songs.

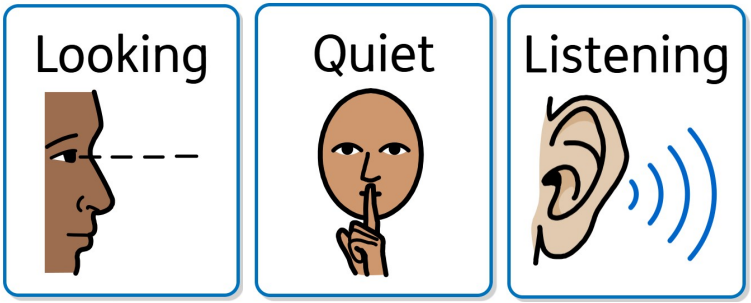

One of the helpers teaches us a lesson from the Bible.

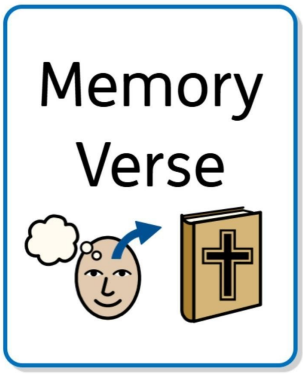

They help us to understand more about God and Jesus, and how to be God's friends.

I need to show good listening. This means looking at the person talking, being quiet and listening well.

I will put my hand up if I want to ask a question.

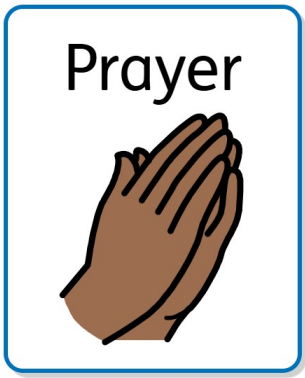

The Bible is God's special book.

We learn a memory verse from the Bible.

Then we go back to our tables for a craft or activity and to pray.

I need to ask a helper if I want to go to the toilet.

I can go to the toilet by myself.

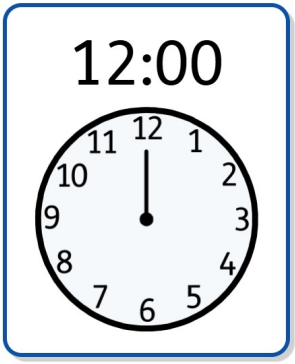

Just before the end, we tidy up and stack our chairs.

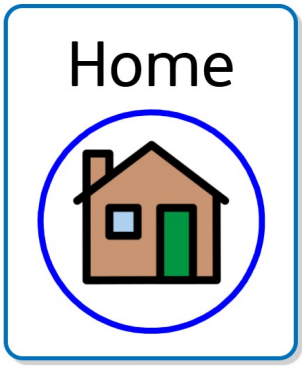

At 12:00 we all line up at the main door.

My grown up will come to collect me.

Then we can go to the Oasis for a drink and biscuit, or we can go home.

Sunday School Central is great!

The helpers hope I will enjoy it, and learn more about Jesus.

For Parents and Carers:

SSC is for children who are in school year 2 to year 5.

If you would like to talk more about your child's new group, you can contact the group leaders.

The group leaders for Sunday School Central are Louis and Gemma Berkley.

Do look out for Louis and Gemma on a Sunday, or you can email them via the Carey office.

Consent Form

A consent form needs to be filled in before you leave your child at Sunday School Central. Please use the QR code to complete an online form.

A new form will need to be completed each school year.
