

# YPi

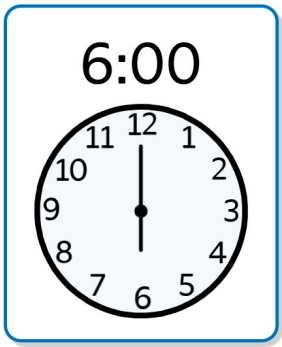

Friday 6-7 pm

(term time)

Carey Baptist Church

I can go to YPi on Friday evening.

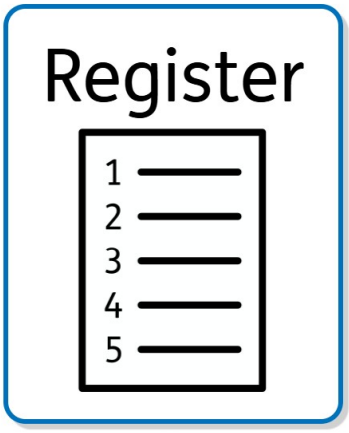

My grown up will bring me to Carey Church.

My grown up takes me to the door, and waits until I go in.

One of the helpers say “hello” and welcomes me.

They tick my name on the register.

All the helpers in YPi wear a badge.

The helpers are there to look after me.

I can ask a helper if I want to go to the toilet.

They will take me to the toilet.

When I arrive, a helper will show me where to go.

We either go to the big church room, or to a smaller room.

Here we play games.

Group games

These are some of our YPi games:

Parachute games

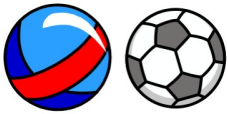

Circle games

Running games

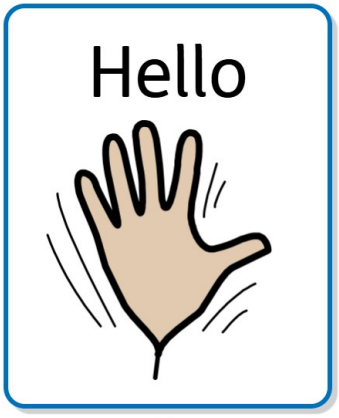

Ball games

Then we move to another room.
I come in and sit down on a chair.

I can choose where to sit and who to sit with.  This could be a friend or a helper.

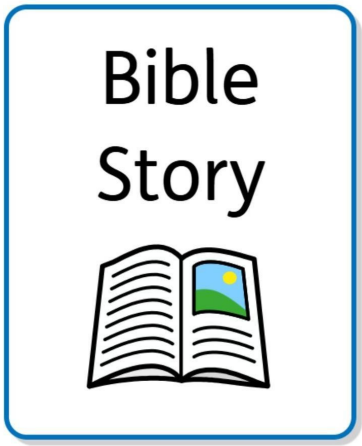

The helper says hello to everyone.

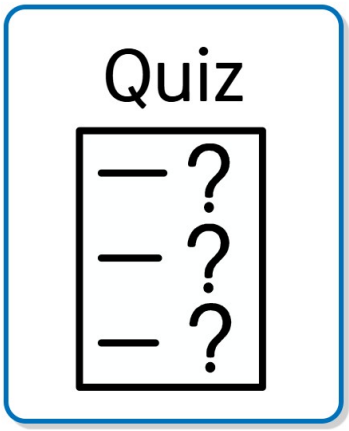

We pray to God.

Then we listen to a story from the Bible.

We usually have a quiz, with questions about the Bible story.

I will put up my hand if I want to ask or answer a question.

Then I go to another room to do a craft activity.

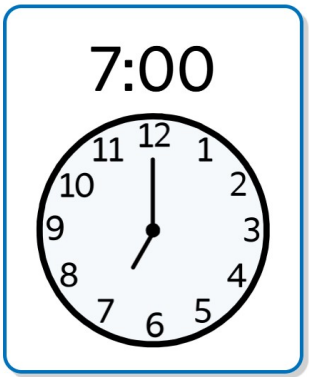

Usually there is some colouring. Sometimes there are things to cut and stick.

The helpers are there if I need some help.

Just before the end of YPi, a helper will tell me to sit on the floor near the door with my craft.

My grown up will collect me at the end of YPi.

YPi is great!

The leaders hope I will enjoy it, and learn more about Jesus.

**For Parents and Carers:**

YPi is for children who are in nursery to school year 1.

If you would like to talk more about your child's move, you can contact the group leader.

The group leader for YPi is Paula Gibbs.

Do look out for Paula on a Sunday, or you can email her via the Carey office.

**Consent Form**

A consent form needs to be filled in before you leave your child at YPi. Please use the QR code to complete an online form.

A new form needs to be completed each school year.
